

The Catskills' Best Kept Secret

Situated on the high mountain peaks of Roxbury, NY, Ski Plattekill is privately owned and operated by a family who loves the snow just as much as you do and knows what makes for an affordable, fun-filled family experience. Ski Plattekill offers skiing, snowboarding, snowshoeing and snowtubing. Ski Plattekill is not about the fancy lifts and resort glitz, it's all about run-after-run thigh-burning skiing, long-carve snow-boarding and giggle-filled snowtubing. Best known for its "big mountain terrain and small mountain charm," Ski Plattekill is the perfect family resort. Choose from 35 sprawling trails: two-mile-long beginner cruisers, steep-continuous-vertical black diamonds and three new trails, all leading right to the base lodge. With last year's installation of a new lift comes a higher vertical rise to 1,100 feet of pure delight! In addition, Ski Plattekill continues to expand its snowmaking system, offering more consistent conditions on the slopes all season long. Ski Plattekill is located on Plattekill Mountain Road in Roxbury.
